

# Amir Rashid Kazi, D.O.

## *Internal Medicine*

Dr. Amir Rashid Kazi is a native of Greenville, SC. He joined the Lake Cumberland Regional Hospital Residency Program to pursue his interests in hospital medicine, especially working with critical care patients. He is also interested in providing disaster relief in areas of need. In his free time, Dr. Kazi enjoys traveling the world, outdoor activities such as hiking, zip-lining, kayaking and golfing. And he enjoys watching USC Gamecock football.
