

Welcome!

Reaford Blackburn, Jr., M.D.

Dr. Reaford Blackburn, Jr. has recently joined Lake Cumberland Regional Hospital and Apogee Physicians as a hospitalist. Dr. Blackburn, who is trained in Internal Medicine, specializes in providing care for hospitalized patients, in coordination with their primary care physician. In addition to assessing and managing patients' medical treatment, Dr. Blackburn will also order their diagnostic tests, arrange for consultations with specialists as needed, and manage the patients' discharge from the hospital.

His responsibilities include:

- Patient monitoring
- Bedside care
- Illness assessment & treatment
- Diagnostic tests
- Special consults
- Discharge management
- Supervision of residents and medical students
